*It is our greatest pleasure to welcome you to The Two Amigos, after an incredibly difficult journey in 2019.  
None of this would have been possible without our amazing donor, her family and the wonderful NHS.  
We received the most precious gift, the gift of life. We are immensely honoured to be here today, as a result of organ donation.  
We hope you enjoy your time with us.  
Muchas gracias for your continued support amigos.
